

14-16 October 2015

[Shaping the Future of Food Safety, Together, Milan, Italy](#)

Scientists from in and outside Europe are invited to attend a major scientific conference organised by EFSA on the occasion of the World EXPO 2015. The conference focuses on two major themes – Assessment Science and Science, Innovation and Society – and is organised in plenary and breakout sessions.

Participants are invited to register [online](#) by 15 May 2015. Scientists and early-career researchers have the opportunity to showcase their work by [submitting an abstract](#) for the poster session by 3rd April 2015.

To help early-career researchers participate in the conference, EFSA is offering to make a [financial contribution](#) to the travel and accommodation costs of selected participants.

The conference is free of charge for participants.
